EDITORIAL

Dear Readers,

Welcome to the January 2024 issue of Gulf Extrusions Magazine! We are excited to share the latest updates and achievements from Gulf Extrusions as we embark on another year of progress.

In this issue, we showcase our remarkable Thermal Break Technology, which recently enhanced energy efficiency and thermal insulation in a residential building project in Pakistan, providing a more comfortable and sustainable living environment for the residents.

Furthermore, we congratulate ETS Chiox Services on receiving the Gulf Extrusions Trader Certificate, recognizing their exceptional trading practices and industry standards.

We are delighted to share the exciting news that AL Musbah Aluminium Trading has received the Trader Certificate from the Gulf Extrusions team, affirming our dedication to trust, excellence, and superior global quality.

We also highlight the success of our recent blood donation campaign, reflecting our commitment to making a positive impact on society.

Lastly, we share news about our participation in the Majlis Um Suqeim event, where we engaged with local talent and discussed future opportunities. By nurturing talent within our community, we aim to build a stronger and more prosperous future together.

Enjoy reading!

GLOBAL REACH

GULF EXTRUSIONS' THERMAL BREAK TECHNOLOGY SHINES IN RESIDENTIAL BUILDING PROJECT IN PAKISTAN

We are excited to announce that Gulf Extrusions has successfully completed one of its latest projects in the bustling city of Lahore, in collaboration with Defense Aluminium as the fabricator.

Project Name: Villa of Mr. Omar Saeed (CEO Service Industries Limited)

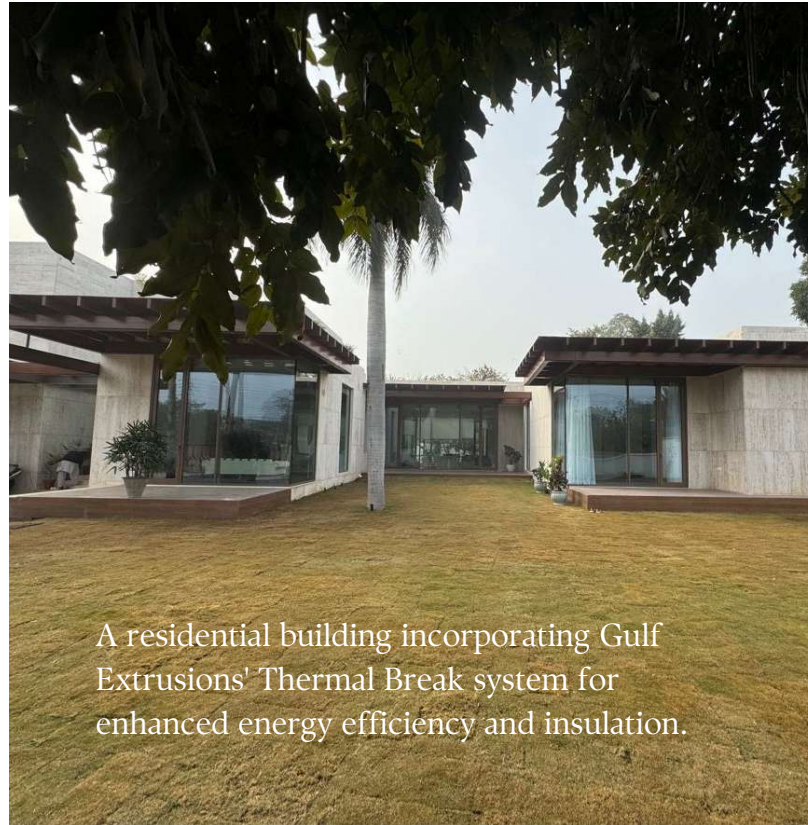

The project, which is a residential building located in the bustling city of Lahore - Pakistan, was designed by renowned architect Mr. Raza Ali Dada - Nayyar Ali Dada & Associate.

The project featured our latest innovation, Gulf Extrusion Thermal Break.

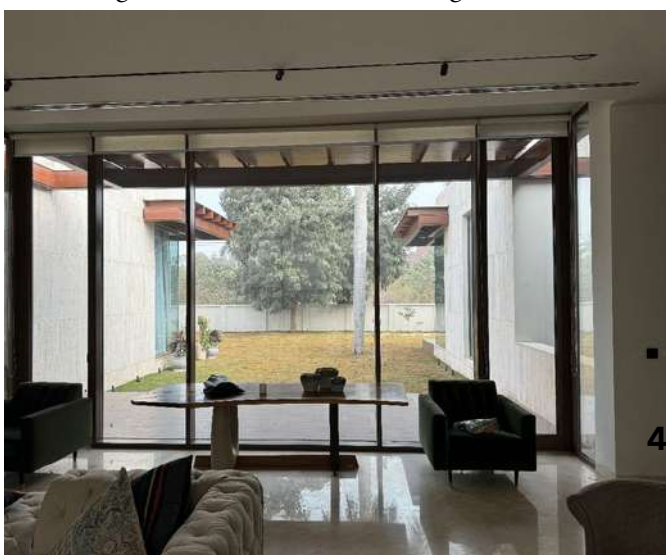

This cutting-edge technology combines energy efficiency with exceptional aesthetics, providing sustainable and visually pleasing solutions for residential and commercial buildings.

At Gulf Extrusions, our commitment to excellence drives us to consistently deliver outstanding results in every endeavor we embark upon.

Once again, we express our sincere appreciation for choosing Gulf Extrusions. We look forward to further strengthening our partnership and delivering remarkable outcomes together.

A residential building incorporating Gulf Extrusions' Thermal Break system for enhanced energy efficiency and insulation.

RECOGNIZING ETS CHOIX SERVICES: GULF EXTRUSIONS BUILDS BRIDGES OF TRUST AND EXCELLENCE

We are delighted to share the exciting news that ETS Choix Services has been bestowed with the Trader Certificate by Gulf Extrusions team. This remarkable recognition serves as a testament to our dedication to trust, unparalleled quality, and unwavering pursuit of global excellence.

The Trader Certificate awarded to ETS Choix Services by Gulf Extrusions carries great significance, symbolizing the remarkable level of trust and mutual respect that underpins the

exceptional partnership between these two esteemed companies.

Embarking on new horizons of success, both Gulf Extrusions and ETS Choix Services are fueled by the Trader Certificate, a powerful symbol of recognition and achievement, propelling them towards even greater achievements in the future.

This achievement builds stronger relationships, expands market presence, and sets new industry benchmarks for unparalleled excellence.

BRIDGING TRUST AND EXCELLENCE: GULF EXTRUSIONS AWARDS AL MUSBAH ALUMINIUM TRADING WITH TRADER CERTIFICATE

We are delighted to share the exciting news that AL Musbah Aluminium Trading has been honored with the Trader Certificate by the Gulf Extrusions team, further validating our commitment to trust, excellence, and delivering exceptional quality on a global scale.

The Trader Certificate awarded to Al Musbah Aluminium Trading by Gulf Extrusions serves as a testament to the exceptional business partnership

and shared trust that exists between these two esteemed companies.

The remarkable accomplishment is a result of the strong collaboration, open communication and shared commitment to delivering outstanding products and services to clients by both Gulf Extrusions and Al Musbah Aluminium Trading.

Aluminium is already used to make everything from smartphones to bullet trains and the world's inventors keep finding new ways to use it!

Gulf Extrusions is the largest extrusion company in the region built on a reputation of superior quality, first class services and international experience.

We can find aluminium in the homes we live in, in the cars and bikes we drive, in the trains and airplanes that take us across long distances, in the electrical and energy we use every day, in the bench seating inside our bus stations and in modern interior designs.

Here at Gulf Extrusions, we have a shared passion for supporting the societies and the blood donation campaign represents a special event for all of us.

GULFEX ORGANIZES A BLOOD DONATION CAMPAIGN FOR EMPLOYEES

In continuation of our company's ongoing efforts to enhance our positive role in serving the local community and supporting individuals affected by the Geza war, Gulf Extrusions organized a blood donation campaign at our Dubai's plant in collaboration with the Dubai Health Authority and the Dubai Blood Donation Center, on January 12th, 2024.

The primary objective of the 'Donate Blood, Save Life' campaign was to foster a culture of volunteerism among our dedicated employees at Gulfex. This day-long campaign exemplified our firm commitment to promoting and improving a healthy lifestyle, as blood donation plays

crucial role in addressing various health issues.

We are immensely proud to announce that a total of 105 employees from different departments at Gulfex wholeheartedly donated their blood during this campaign.

Special thanks for the assistance and support given to us by Dubai Health Authority for helping us make this Blood Donation campaign a big success.

Gulfex is dedicated to demonstrating excellence through socially responsible actions, positively impacting communities and improving quality of life through support for various causes in the societies where assistance is needed.

Welcome To Our Company

WORKING AT GULF EXTRUSIONS

Working at Gulf Extrusions offers employees a fulfilling and rewarding experience with ample opportunities for professional growth, competitive compensation, and a strong company culture that fosters teamwork and pride.

- **Commitment to Emiratization:** Gulf Extrusions demonstrates a strong commitment to Emiratization by actively seeking and providing employment opportunities to Emiratis.

- **Career Development:** The company offers comprehensive career development programs, including training, mentorship, and advancement opportunities, to support the professional growth of Emirati employees.

- **Competitive Compensation:** Gulf Extrusions provides competitive compensation packages that align with industry standards to attract and retain top Emirati talent.

- **Inclusive Work Environment:** The company fosters an inclusive work environment that respects and values Emirati culture, traditions, and diversity, promoting a sense of belonging and engagement among Emirati employees.

- **Employee Well-being:** Gulf Extrusions prioritizes employee well-being by offering a range of benefits, such as healthcare, wellness programs, and work-life balance initiatives, to support Emirati employees in maintaining a healthy and fulfilling lifestyle.

We honor our commitment to quality, our vigorous involvement in the community, our continuous investment in technology, and above all, we celebrate the lively spirit of innovation that has proven to be the binding thread that makes Gulf Extrusions what it is today.

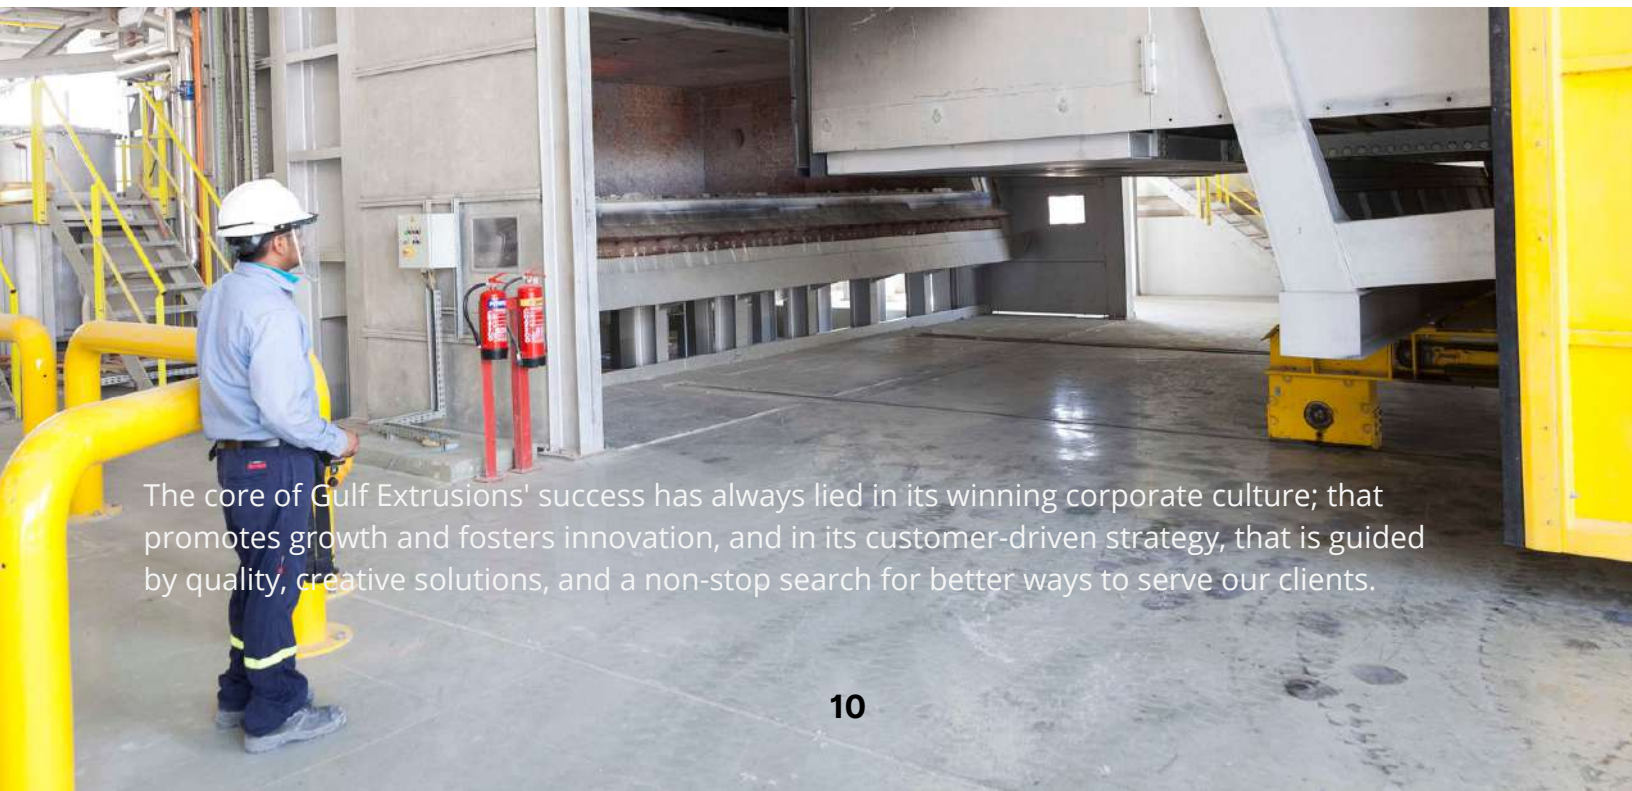

- **Corporate Social Responsibility:** The company actively engages in corporate social responsibility initiatives, contributing positively to the local community and providing Emirati employees with opportunities to participate in meaningful social impact activities.

- **Technological Advancement:** Gulf Extrusions embraces technological advancements and provides Emirati employees with access to cutting-edge tools and resources, fostering innovation and growth within the organization.

- **Leadership Development:** The company invests in leadership development programs to nurture Emirati talent and empower them to take on leadership roles within the organization.

- **Employee Recognition:** Gulf Extrusions recognizes and rewards the contributions of Emirati employees, fostering a culture of appreciation and motivation.

- **Strong Company Culture:** The company cultivates a strong company culture that promotes teamwork, collaboration, and a sense of pride in being part of the Gulf Extrusions family, making it an employer of choice for Emiratis.

The core of Gulf Extrusions' success has always lied in its winning corporate culture; that promotes growth and fosters innovation, and in its customer-driven strategy, that is guided by quality, creative solutions, and a non-stop search for better ways to serve our clients.

Expanding Horizons: Gulf Extrusions Seeks New Local Talents at Majlis Um Suqeim

“

It was a truly memorable experience to connect with the community and demonstrate the extraordinary opportunities that await those who embark on a journey with us.

”

Gulf Extrusions was honored to have the opportunity to proudly represent our company at the highly esteemed Majlis Um Suqeim event held on the 25th of January 2024. It was a fantastic experience to connect with the local community and showcase the incredible opportunities we offer.

We pride ourselves as industry pioneers, providing a vibrant work environment, abundant growth prospects, and a nurturing culture that cultivates the triumph of our dedicated employees.

We had the distinct pleasure and honor of engaging in numerous inspiring conversations throughout the event, and we were truly delighted by the overwhelming number of job seekers who showed a keen interest in discovering the benefits we offer to our employees and the exciting career path at Gulf Extrusions.

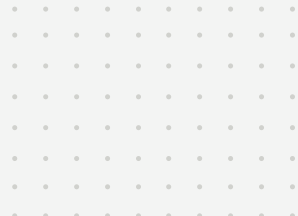

Connect with us to discover how we can work together and create a brighter future.
