Editorial

Dear Readers,

Welcome to the December issue of Gulf Extrusions Magazine! As we bid farewell to autumn, we embrace the arrival of winter, filled with exciting events, activities, and remarkable projects that underscore Gulf Extrusions' commitment to excellence and innovation.

Located in one of the Dubai's emerging areas, the Hamdan Sports Complex features the modern Curtain Wall 50 system and TB 600, exemplifying our advanced engineering and design capabilities.

Within this edition, Gulf Extrusions introduces "Curtain Wall", a cutting-edge advancement in building solutions that blend aesthetics with performance and functionality.

Gulf Extrusions joined organizations worldwide in celebrating World Quality Week and World Quality Day 2024, emphasizing our ongoing commitment to excellence.

On Thursday, 28th November 2024, Gulf Extrusions marked the UAE's 53rd Eid Al Etihad, celebrating the nation's remarkable achievements and legacy.

To further strengthen our team spirit, Gulf Extrusions hosted a memorable Desert Safari Adventure on Friday, 20th December 2024, bringing employees together to celebrate the year's successes.

Gulf Extrusions continues to push boundaries, delivering exceptional results and setting new standards in the aluminum industry.

Thanks for an amazing 2024 ! We wish you and your beloved ones a successful and Happy New Year 2025.

Enjoy reading!

Hamdan Sports Complex: A Landmark Project Showcasing Gulf Extrusions' Aluminum Innovation and Expertise

Hamdan Sports Complex

Gulf Extrusions supplied Aluminium to Hamdan Sports Complex, highlighting its expertise and contribution to architectural excellence.

Project Name: Hamdan Sports Complex

Client: Dubai Municipality

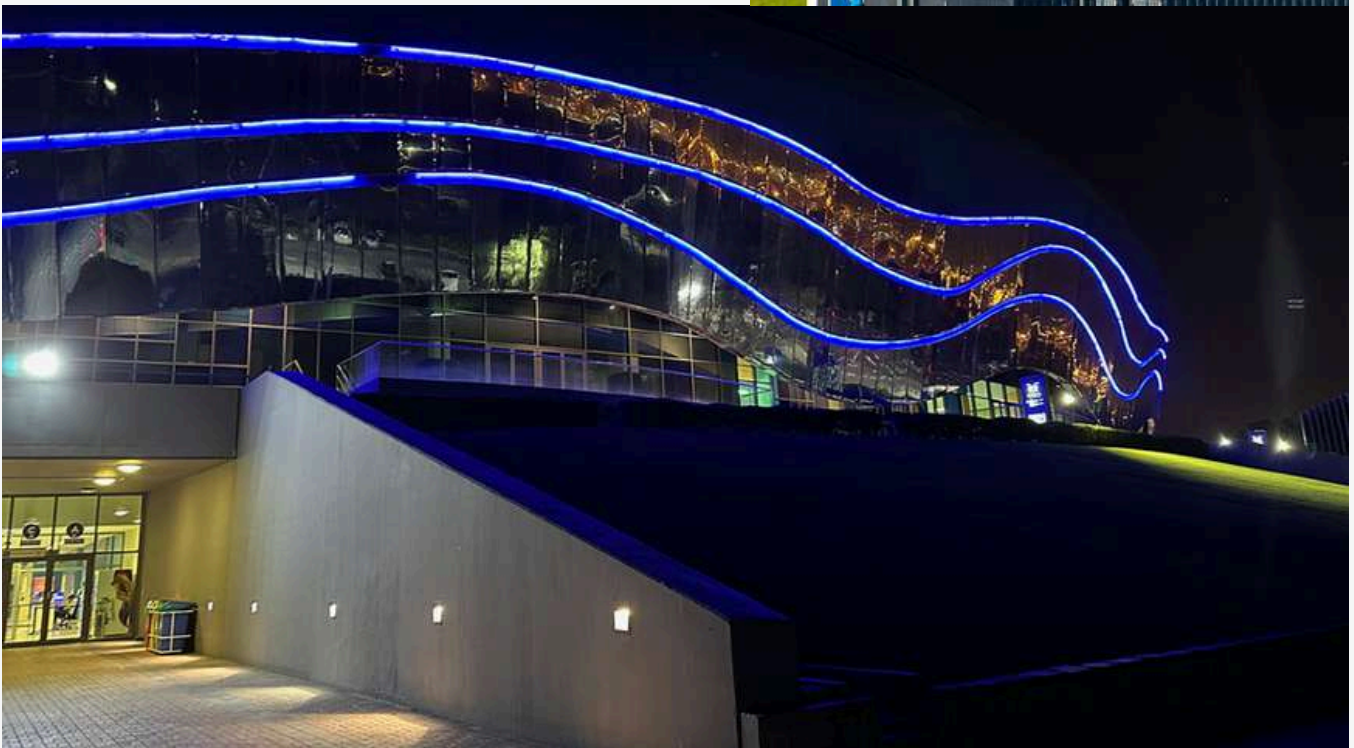

Consultant: Faulknerbrowns Architects

Main Contractor: Bin Ladin Contracting Group

Location: Dubai - United Arab Emirates

Extrusions Supplied By: Gulf Extrusions L.L.C.

Product Name: Curtain Wall 50 and TB 600.

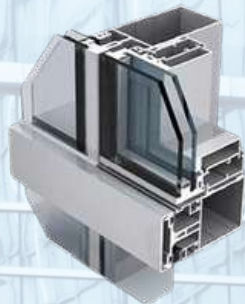

By leveraging Gulf Extrusions' expertise and high-quality extrusion products, the big curtain wall 50 and TB 600 at Hamdan Sports Complex sets a new standard in innovative design and showcases the integration of aluminium extrusions in large-scale architectural ventures.

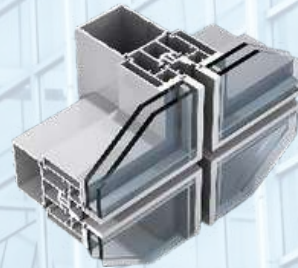

What is a Curtain Wall?

Building envelope, reflecting the architectural beauty of the building. Curtain wall façade carries no structural load beyond its own dead load weight, they are light in weight with lower structural requirements.

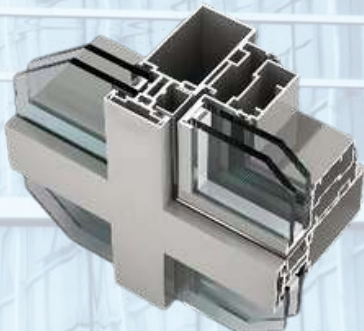

Types of Curtains Walls:

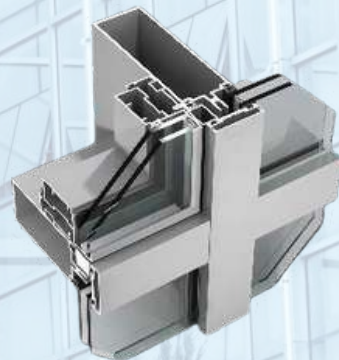

VORTEX 61.5MM

VORTEX 70MM

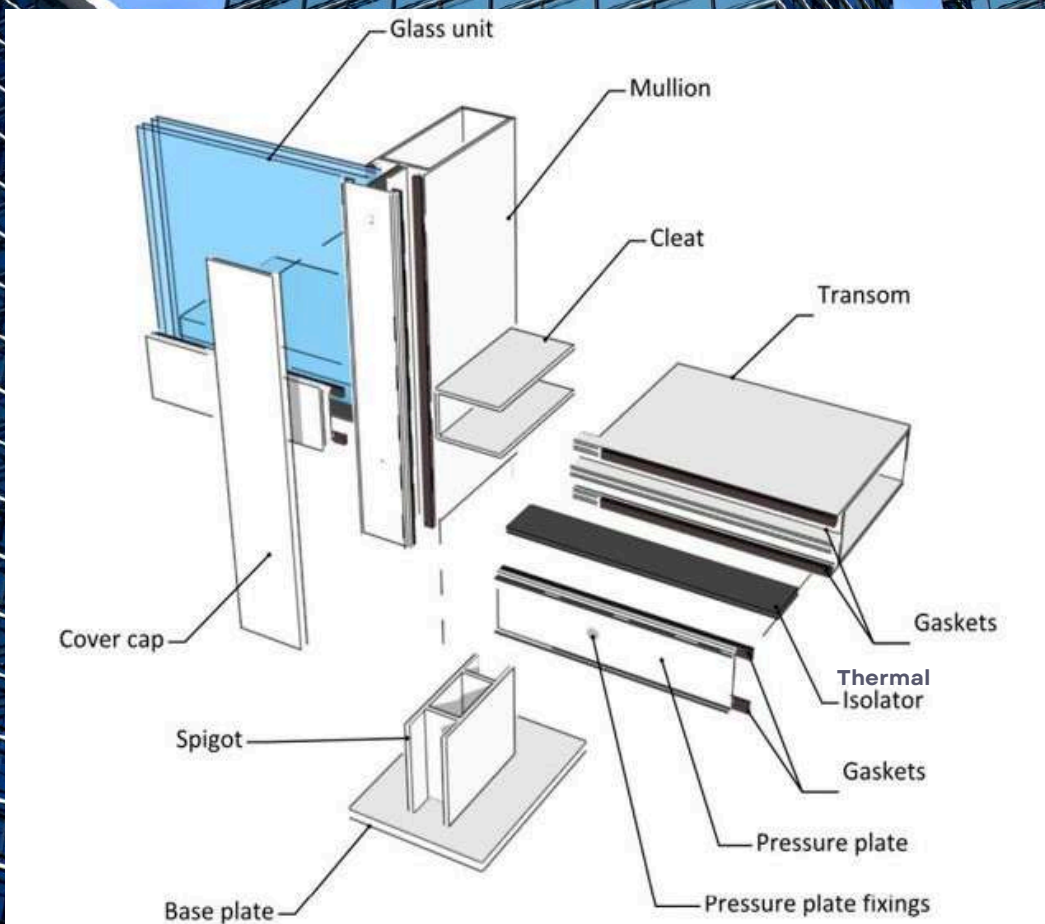

CURTAIN WALL 50MM

CURTAIN WALL 60MM

Functions of Curtain Walls:

- Prevents water penetration
- Eliminates air impermeability
- Depending on the glass specifications, it improves acoustic insulation
- Solar performance is controlled by using thermally insulated aluminium and higher glass specifications.

From Compliance to Performance: Gulf Extrusions joins organisations across the globe in observing World Quality Week and World Quality Day 2024

Gulf Extrusions joins organizations across the globe in observing World Quality Week from 11 November to 15 November, with World Quality Day on 14 November 2024, under the theme, “Quality: from Compliance to Performance”.

“This World Quality Week, we are inspired to transform quality from a regulatory requirement into a path to outstanding achievements.”

Gulf Extrusions stands as one of the most prominent extrusion facilities in the region, known for its superior quality, extensive international expertise, and commitment to excellence.

Throughout the week, Gulf Extrusions conducted awareness sessions and workshops that highlighted the benefits we gained from implementing our Integrated Management System (IMS) standards and ISO best practices we applied which played an essential role in positioning our company as prominent leader in the MENA and GCC regions.

The awareness sessions and workshops on IMS (ISO 9001/14001/45001) equips participants with comprehensive knowledge and understanding of ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 standards, along with their respective requirements.

Our focus on precision and reliability has resulted in a diverse portfolio of notable projects and landmark structures that reinforce Gulf Extrusions as a trusted name among stakeholders in the aluminum extrusion industry.

Honoring UAE's Legacy and Progress: Gulf Extrusions celebrates 53rd Eid Al Ettihad.

Gulf Extrusions, one of the largest Aluminium Extrusions companies in the UAE, has marked the occasion of the UAE's 53rd Eid Al Ettihad with a packed program of activities on 28th November, bringing together its vibrant community of employees and management as they celebrate the spirit of the union and national achievements.

Lights, decorations and flags have been installed along the company's passages, parking area, departments and offices to mark this dear occasion.

Senior management and staff from different walks of life, all gathered to celebrate the UAE Eid Al Ettihad.

The day's celebration began with the UAE National Anthem, followed by a welcome speech by Mr. Sameer Alkhresheh, Deputy General Manager of Gulf Extrusions, who highlighted how the UAE has created opportunities for its residents to contribute to its success and development across all sectors.

The United Arab Emirates has made great progress and now competes on a global stage as one of the most advanced and developed societies in the world.

This success is underpinned by the spirit of togetherness and pride, with

a strong commitment to excellence and achieving the best results in all sectors

In an action-packed competition where all departments could be hugely proud of their efforts, Die Shop Department and Stores won the competition of Gulfex Best Decorated Department 2024 triumphing over other departments for their distinguished creative design.

During the festivities, the accolades and trophies were bestowed upon the triumphant Blue team in Football, Green team in Basketball, and Green team in Cricket, clinching the coveted first place in the Gulfex Internal Fitness Challenge games.

As part of the celebrations, employees enjoyed an exciting array of cultural and heritage activities held at the company's premises, featuring traditional Emirati food and an Emirati handicrafts display, showcasing the UAE's rich traditions and history.

With the spirit of hospitality and togetherness, the Eid Al Ettihad celebration gave everyone in attendance a truly memorable day with our employees who have played a major part in Gulf Extrusions continuous growth and outstanding successes.

Gulf Extrusions' unforgettable Desert Safari Adventure: Applauding a year of remarkable achievements.

As part of Gulf Extrusions' commitment to fostering team spirit and celebrating the year's outstanding achievements, employees came together for a wonderful Desert Safari Adventure on Friday, 20th December 2024.

The day was packed with thrilling activities, from dune bashing and quad biking to enjoying traditional experiences like desert photography and a buffet dinner, making it a truly memorable occasion.

As we look on the year's achievements, we're reminded that our success is a result of the dedication and passion of each member of the Gulfex family.

Events like these help create lasting memories, promote team synergy, and inspire our employees to achieve new heights.

Together, we've not only met but exceeded our goals, and we're excited about the opportunities that lie ahead.

Thank you to our incredible team for making Gulfex a great place to work, and to many more years of shared successes!
