Editorial

Dear Readers,

Welcome to the August edition of Gulf Extrusions magazine, where we bring you a collection of business topics and activities highlights showcasing remarkable project, innovative product, employees engagement initiatives, and our shared commitment to safety, excellence and progress.

The Ministry of Industry and Advanced Technology Delegation's visit to Gulf Extrusions and APT in Abu Dhabi. The program included a detailed company presentation and a factory tour, where the delegation explored our advanced operations and capabilities in delivering high-quality aluminum solutions for today's evolving market.

Another key highlight this month was our contribution to the Ras Al Khaimah Airport Administration Building and Service Block project, where the 'Curtain Wall 60' demonstrates practical and reliable solutions for government buildings where efficiency and precision are essential.

We also introduced Fold & Slide, a modern system designed to enhance convenience and aesthetics in both residential and commercial applications across the architectural sector.

On August 15 and 16, our CEO Mr. Omar Shegem and DGM Mr. Sameer AlKhresheh met with employees across the company, recognizing their efforts and reinforcing the value of open dialogue in building collective success.

Operational excellence was further recognized with an achievement certificate for our Powder Coating department in Dubai, celebrating record breaking production level.

During August, we also honored three trusted partners: MIH Home, New Broadway, and BEST Trading, with Trader Certificates, reinforcing long standing collaborations.

As part of our corporate culture, we also observed A Day Without Accidents on August 25, 2025, marking another step in our ongoing journey to uphold the highest safety standards.

And on August 28, we joined the nation in commemorating Emirati Women's Day, celebrating the vital role Emirati women play in advancing the progress of society and contributing to every sector, including ours.

We hope you enjoy this issue, which captures milestones that continue to reflect our journey of excellence and growth.

Happy reading!

Ministry of Industry and Advanced Technology Delegation Visits Gulf Extrusions and APT in Abu Dhabi.

The visit highlighted Gulf Extrusions' advanced operations and high-quality aluminum solutions supporting the UAE's industrial growth.

Abu Dhabi, 29 August 2025 – Gulf Extrusions welcomed a distinguished delegation from the Ministry of Industry and Advanced Technology to its Abu Dhabi facility and Automotive Precision Technology (APT).

The program featured a detailed company presentation followed by a guided tour of the factory, where the delegation observed Gulf Extrusions' modern machinery and production processes.

The visit showcased the company's capability to deliver high-quality aluminum products designed to meet the increasing demands of local and international markets.

With a strong focus on innovation and excellence, we - at Gulf Extrusions - continue to leverage our expertise and advanced technologies to actively contribute to current and future projects, further advancing the national industrial sector.

We thank the Ministry for its continued support of the aluminum industry, its role in empowering national companies, and its efforts to reinforce the UAE's industrial position globally.

Gulf Extrusions has delivered high-performance aluminum system to Ras Al Khaimah Airport Project.

Enriching Excellence: The Value of Aluminium's Contribution.

- Project** ➤ **Ras Al Khaimah Airport Administration Building and Services Block.**

High Thermal Insulation

Leadership Appreciation Strengthens Companywide Commitment

On August 15 & 16, our CEO Mr. Omar Shegem and DGM Mr. Sameer AlKhresheh shared valuable and inspiring conversations, recognition of achievements, and genuine appreciation for the dedication and hard work of our employees. This was followed by a lunch with employees.

They encouraged open dialogue and reinforced our shared vision and values.

The management and staff enjoyed time together, ending the activity.

Powder Coating Team Achieved Outstanding New Production Record – July 2025

Gulf Extrusions recognizes the remarkable performance of the Powder Coating department for achieving record-breaking production milestones in July 2025.

These accomplishments are a testament to the dedication, precision, and teamwork of our teams across all facilities.

Congratulations to all employees for this remarkable achievement.

Recognizing Excellence: Gulf Extrusions' Trader Certificate

MIH Home Receives Trader Certificate from Gulf Extrusions in Recognition of Excellence, Quality and Long-Standing Industrial Contribution.

As part of its ongoing commitment to strengthen industry partnerships, Gulf Extrusions has awarded the Trader Certificate to MIH Home.

The certificate was presented by Gulf Extrusions' Commercial Director, Ammar El Taher, during Gulfex team's recent visit to MIH Home.

This recognition reflects MIH Home's commitment to consistently uphold international standards while delivering trusted solutions to the market.

Over the years, the company has built a strong reputation for its reliable distribution network and customer-focused operations.

Looking ahead, this milestone paves the way for deeper collaboration and continued progress within the aluminium industry.

We extend our heartfelt congratulations to each employee in both companies for their invaluable contribution in achieving this milestone.

New Broadway Earns Trader Certificate from Gulf Extrusions, Reinforcing Commitment to Quality and Technical Excellence

Gulf Extrusions has awarded New Broadway the Trader Certificate, affirming the company's role in delivering advanced fabrication solutions with precision and quality.

The certificate was awarded by Commercial Director, Ammar El Taher, during Gulfex team's visit to New Broadway.

This acknowledgement highlights New Broadway's expertise in fabrication, combining precision, innovation, and quality to deliver advanced solutions.

With a track record of craftsmanship and technological progress, the company continues to serve diverse market requirements with reliability.

This certification further strengthens the partnership between Gulf Extrusions and New Broadway, setting the stage for future success.

We thank every team member from both companies for their significant role in making this achievement possible.

Gulf Extrusions Awards BEST Trading with Trader Certificate, Marking Continued Commitment to Excellence in Quality and Market Growth.

Gulf Extrusions has awarded the Trader Certificate to BEST Trading, reaffirming the company's commitment to quality, reliability, and customer-focused service.

The certificate was presented by Sales Manager, Adnan Majeed, in attendance with Regional Sales Manager, Sherif Tageldin during Gulfex team's visit to BEST Trading.

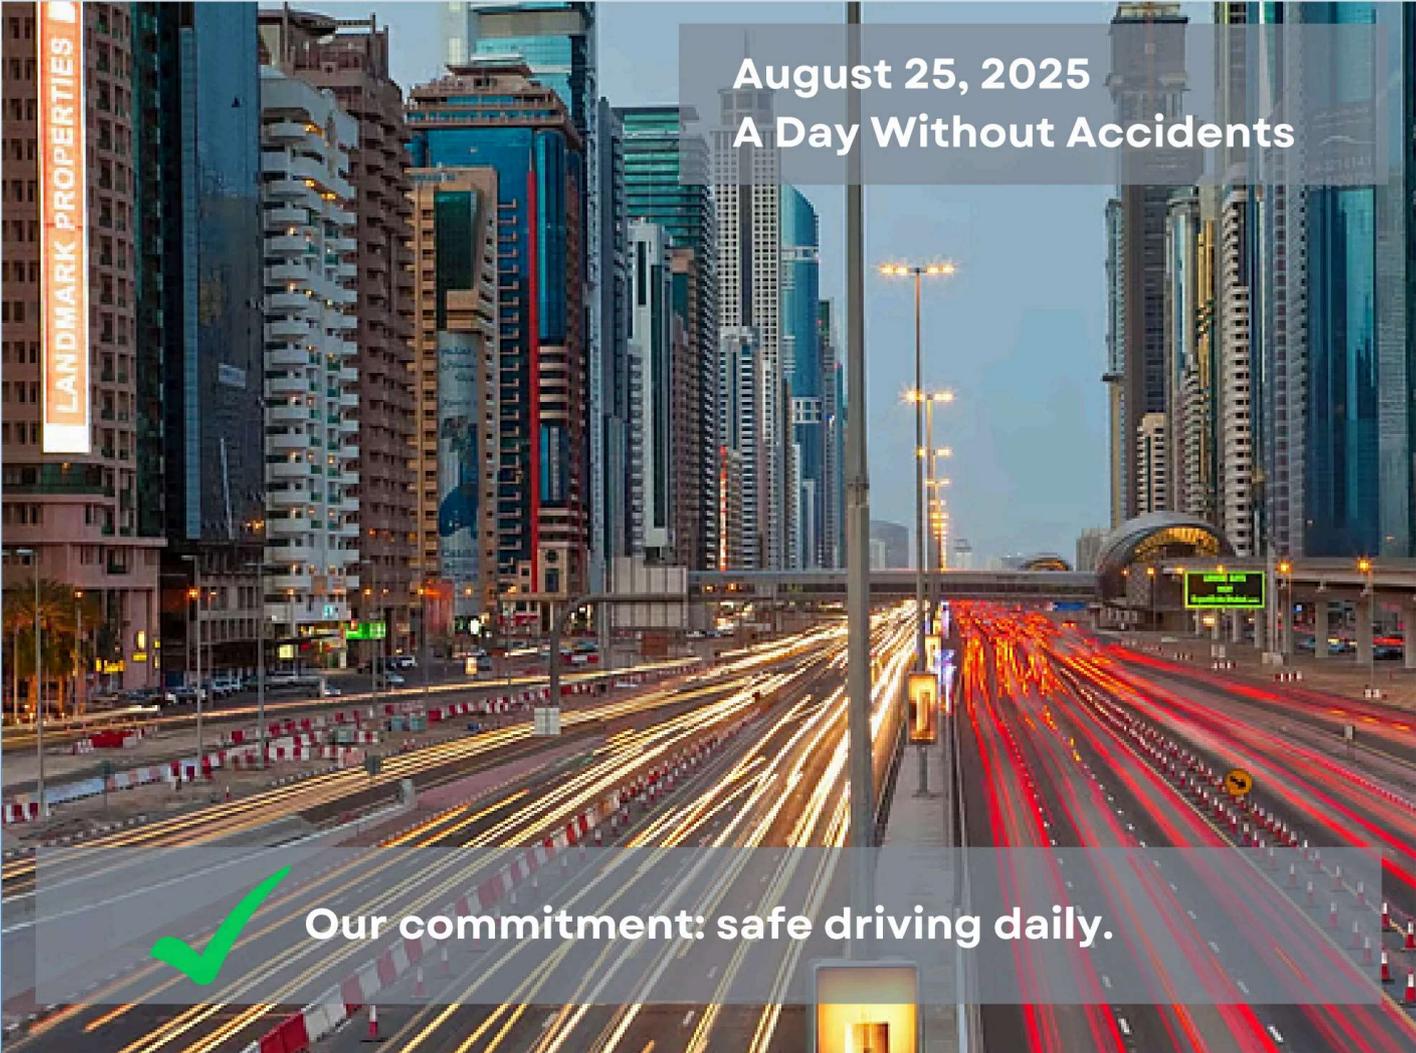

This recognition reflects BEST Trading's commitment to maintain excellence in quality and high standards across operations.

With a track record of craftsmanship and technological progress, the company continues to serve diverse market requirements with reliability.

This certification further strengthens the partnership between Gulf Extrusions and BEST Trading, setting the stage for future success.

A big thank you goes to to all employees in both companies for their significant role in reaching this milestone.

Participating in UAE's Day Without Accident Initiative: Ensuring Safety and Maintenance Excellence at Gulf Extrusions.

August 25, 2025
A Day Without Accidents

Our commitment: safe driving daily.

As a responsible company, we prioritize the well-being of our employees and the communities we serve.

We are reporting that all our company fleet cars have successfully maintained a record of being accident-free.

This is a testament to our unwavering commitment to safety and our diligent efforts in maintaining a culture of responsible driving practices.

Our transport team works diligently to ensure that all vehicles undergo regular maintenance, inspections, and necessary repairs to guarantee their optimal performance and safety features.

Through continuous training programs, awareness campaigns and initiatives, we strive to instill a culture of safety consciousness among our workforce.

Together, let us continue prioritizing safety, fostering a culture of accident prevention, and contributing to a safer road environment for all.

Collaborating for a Brighter Tomorrow: Celebrating Emirati Women's Day.

On the occasion of Emirati Women's Day, observed on 28th August, we at Gulf Extrusions are proud to honor the remarkable contributions of Emirati women in shaping our society and driving progress.

This special day serves as a reminder of the pivotal role Emirati women play in various sectors, including our own.

We have implemented various programs and policies specifically designed to empower Emirati women and nurture their professional development.

Through targeted training programs, mentorship opportunities, and development initiatives, we aim to equip our Emirati female workforce with the

necessary skills and tools to excel in their careers.

Gulf Extrusions congratulates Emirati Women on the occasion of Emirati Women's Day in recognition of their sacrifices and contribution in the development and advancement of the country.
